

Production Line and Machines

Automatic Tablet Press Production Line
Auto Coater Machines and Manuel Coating Machine
Automatic Packaging Machines
Full Automatic Filling Hard Capsule Production Line
Full Automatic Filling Soft Gelatin Capsule Production Line
Full Automatic Ampule Production Line
Full Automatic Liquefied Vial Production Line
Full Automatic Powder Vial Production Line
Full Automatic Liquid Syrup Production Line
Full Automatic Dry Syrup Production Line
Full Automatic Ointment Production Line
Full Automatic Nasal Spray Filling Machine
Full Automatic suppository Production Line
Full Automatic I.V. Solution System
Full Automatic Non-PVC Soft Bag IV Solution Production Line
Full Automatic PP bottle IV solution production line
Air Flow Drier
AL-Plastic-AL Automatic Blister Packing Machine
Aluminum Foil
Ampoule Cleaning Machine
Ampoule Compact Line
Ampoule Filler
Ampoule Filling and Sealing Machine
Ampoule Filling Sealing Machine

Automatic Liquid Vial Filling Machine
Auto-Checking Forming Blister Packing Machine
Automatic Air Jet Cleaning Machine
Automatic Airjet & Vacuum Cleaning Machine
Automatic Ampoule Filling & Sealing Machines
Automatic Ampoule Inspection Machine
Automatic Ampoule Screen Printing Machine
Automatic Ampoule Sticker Labeling Machine
Automatic Ampoule Washing Machine
Automatic Blister Packing Machine
Automatic Blister Packing Machine
Automatic Bottle Filling and Sealing Machine
Automatic Bottle Cap Sealing Machines
Automatic Capsule Counting Machine
Automatic Capsule Filling Machine

Automatic Capsule Filling Machine - R&D Model
Automatic Capsule Loader
Automatic Cartoning Machine (for Blisters)
Automatic Cartoning Machine (for Bottle)
Automatic Closed Ampoule Filling Machine
Automatic Container Filling Machine
Automatic Container Filling Machine (for creams and ointments)
Automatic Dry Powder Filling & Rubber Stoppering Machine
Automatic Dry Syrup Powder Filling Machine
Automatic External Vial Washing Machine
Automatic Flat Plate Blister Packing Machine
Automatic Four Head Ampoule Filling Sealing Machine
Automatic High Speed Ampoule Filling Sealing Machine
Automatic Injectable Sterile Powder Vial Filling Machine
Automatic Labelling (GUM type) Machine
Automatic Linear Bottle Washing Machine
Automatic Linear Vial Washer
Automatic Linear vial Washing Machine
Automatic Liquid Bottle Filling Machine
Automatic Liquid Filling Machines for Bottles
Automatic Lyo Loading systems & Unloading System
Automatic Monoblock Bottle Filling & Capping Machine
Automatic Online Dry Powder Vial Inspection Machine
Automatic Plastic Thermoforming Machine
Automatic Rotary Vial Washing Machine
Automatic Rubber Belt Cutting Machine
Automatic Screw Capping Machine
Automatic Self Adhesive Labeling Machine
Automatic Self Adhesive Sticker Labling Machine for Vial - Bottles
Automatic Single Head ROPP Cap Sealing Machine
Automatic Six Head Vial Sealing Machine
Automatic Syrup Filling Machine
Automatic Tablet/Capsule Counting Machine
Automatic Tube Filling Machine
Automatic Tube Filling Machine
Automatic Two Head Ampoule Filling Sealing Machine
Automatic Two Side Sticker (Self Adhesive) Labeling Machine for Round cum Flat Containers
Automatic Vertical Packing Machine
Automatic Vial & Bottle Sticker Labeling Machine
Automatic Vial Cap Sealing Machines
Automatic Vial Filling & Rubber Stoppering Machine
Automatic Vial Filling and Sealing Machine
Automatic Vial Powder Filling Machine
Automatic Vial Washer
Automatic Volumetric Liquid Bottle Filling Machine
Automatic Wet Glue Lableling Machine
Bar coding Machine
Basket Extruder
Batch Coding Machine
Belt Dryer

Blister Defoiling Machine
Blister Packing Machine (Alu-PVC/ Alu-Alu)
Bottle Cap Sealing Machine
Bottle Cleaning Vacuum Machine
Bottle Transfer Conveyor
Burring & Dusting Machine
Cap Bottle Sealing Machine
Cap Sealer for Safety and Freshness
Cap Sealer Machine
Cap Sealing Machine
Capsule Filling Machine
Capsule Inspection & Polishing Machine
Capsule Polishing and Sorting Machine
Capsule Sorting Polosher

Clean Room

A COMPLETE RANGE OF SERVICES DEDICATED TO CLEAN ROOMS, TO GUARANTEE THE BEST SOLUTION.

Our representative companies design, produce and install turnkey clean rooms, customized according to the characteristics and specific needs of their clients in the following sectors: Pharmaceutical, Medical Device, Hospital, Medical and R&D Laboratories, Health, Cosmetics, Herbal and Food. Professionalism, experience and great commitment in the achievement of excellent quality standards, have convinced numerous companies both in Italy and worldwide, to turn to Our Companies for the construction of their clean rooms.

From supplying walls, doors, false ceilings, technically advanced furniture and accessories, through to the construction of complete and turnkey clean rooms, We always guarantees:

Clean Room & Turn Key Project

- * The ability of understanding The real needs of The Client.
- * Detailed specifications of The requested intervention.
- * Great flexibility in always offering specific and customized solutions.
- * The necessary reliability and experience to carry out large projects respecting established timing and conditions.
- * Constant innovation of products and processes.

Our Companies provides a careful and precise planned maintenance service, supporting its clients in the management, maintenance and renewal of their plants.

Water System Solution

Our company inception in 1972, the company has been a trendsetter and important benchmark for the ENGINEERING EQUIPMENTS in respect of its production.

From humble beginning Our Company has emerged as one of the pioneer company in the segment for executing the projects for pharmaceutical industries right from conceptual front end engineering study to detailed designing, fabrication, installation and commissioning of System & Equipments with complete automation.

This has been achieved thru continuous research in product design, adherence to quality and our total commitment to business ethics. The determined efforts of our dedicated team have gained us reputation & reliability.

We cover:

USP Grade Purified Water Generation System
High Purity Water Storage & Distribution System
Reactor & Mixing Vessel
Heat Exchanger & Clean Room Pendant
CIP / SIP System
Videoscopy / Boroscopy & Orbital Welding
Electropolishing
Custom Design Equipments / Process As Per Client's Requirement.

Our Company Advantages:

Crystal water absolute commitment to quality, safety and timely implementation of projects is the hallmark of its engineering skills.
Able to design and execute all types of projects in its field anywhere in the world, higher standards in engineering solutions.
Project work including process designing, detail engineering and validation packages on turnkey basis innovative.
Managed by Technocrat Entrepreneurs.
Experienced in Project Management.
Process Know -how and having in depth knowledge.
Perfect understanding of customer needs and concerns.
Evolving optimum and economically effective solutions.
Technology confirming to international norms of various regulatory authorities like USFDA, UKMHRA, TGA, MCC and WHO.
Friendly and approachable.
Innovative products and sales.

We Manufacture: Purified Water System, Purified Water Generation System, Purified Water Distribution System, RO-EDI System, RO System, Pharmaceutical Water System, Stainless Steel Tubes and Tube Fittings, Water Distribution System, Pharmaceutical Water Distribution System, Sanitary Fittings, Ultrafiltration System, USP Water System, Pigging System, Orbital Welding Services, Electropolishing Services, WFI Water System, Multi Column Distillation Plant, SS Tanks and Vessels, SS Piping and Distribution System
